

CYBERSECURITY INNOVATION AND EXPERTISE

Business Finland Innovation Voucher Offer

WHY CYBERSECURITY EXPERT SERVICES?

Finnish Vastaamo clinic, after 12 years of impeccable reputation filed bankruptcy and ceased to exist **because they did not pay sufficient and proper attention to cybersecurity**. No matter how tenured, strong or profitable your company is, a cybersecurity breach, unfortunately, can drive you out of business in a matter of months if not weeks.

WHY WORK WITH BINARE.IO?

- More than a **decade of top international cybersecurity expertise**
- Trusted member decade of **FISC - Finnish Information Security Cluster**
- Spin-off from **University of Jyväskylä** - One of the best cybersecurity research & teaching centers in Finland.
